## More informations about StarChill PCR, Yellow

### StarChill high performance chiller racks

Maintain a fridge environment on the benchtop! The centre section of StarChill racks changes colour when frozen. It then gradually turns back to its original colour as it warms up, thus giving an instant, visual-indication of the temperature.

\*Time will vary, depending on ambient temperature. All StarChill racks must be frozen for a minimum of 8 hours at -20 °C before use. Not Autoclavable.
